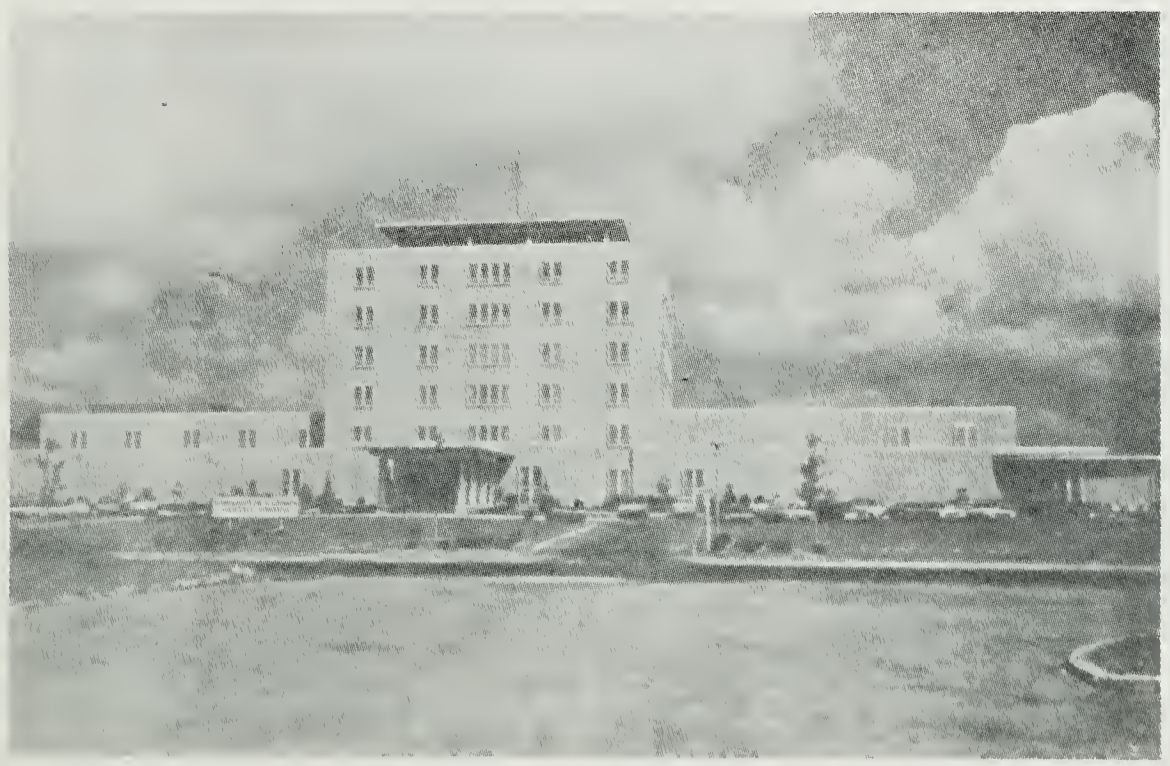
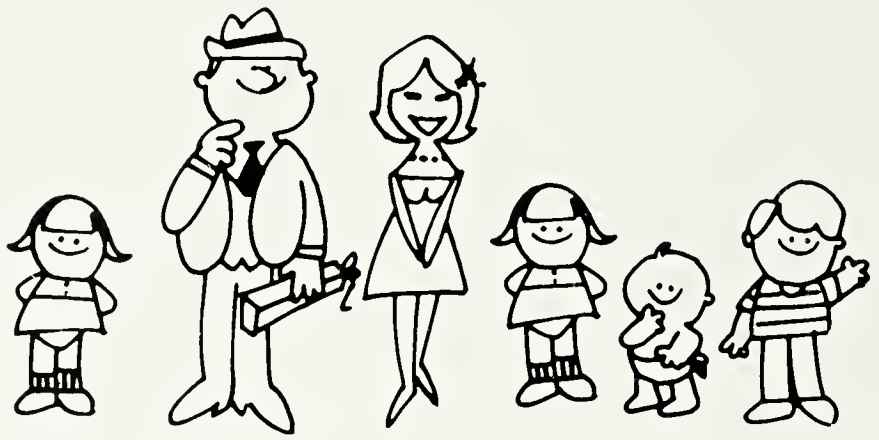
NORTHAMPTON - ACCOMACK MEMORIAL HOSPITAL
SCHOOL OF PRACTICAL NURSING
1957 NASSAWADOX, VIRGINIA 1977



Dedication



The Class of 1977 dedicates this yearbook to our families and friends. Special thanks for your moral support, pep talks, encouragement, all the mail and phone calls, in addition to your financial support. We each have lots of people who have helped us to realize our goals; we couldn't have done it without you; nor would we have wanted to try.

So from all of us to all of you, a very special thanks.

SANTA FILOMENA

Whene'er a noble deed is wrought
Whene'er is spoken a noble thought,
   Our hearts, in glad suprise,
   To higher levels rise.
The tidal wave of deeper souls
Into our inmost being rolls,
   And lifts us unawares
   Out of all meaner cares.
Honor to those whose words or deeds
Thus help us in our daily needs!
   And by their overflow
   Raise us from what is low!
Thusthought I, as by night read
Of the great army of the dead,
   The trenches cold and damp,
   The starved and frozen camp,—
The wounded from the battle plain,
In treary hospital of pain,
   The cheerless corridors,
   The cold and stony floors,
Lo! in that house of misery
A lady with a lamp I see
   Pass through the glimmering gloom,
   And flit from room to room.
And slow, as in a dream of bliss,
The speechless sufferer turns to kiss
   Her shadow, as its falls
   Upon the darkening walls.
As if a door in heaven should be
Opened and closed suddenly,
   The vision came and went,
   The light shone and was spent.
On England's annals, through the long
Hereafter of her speech and song,
   That light its rays shall cast
   From portals of the past.
A lady with a lamp shall stand
In the great history of the land,
   A noble type of good,
Heroic womanhood.
Nor even shall be wanting here
The palm, the lily, and the spear,
   The symbols that of yore
   Saint Filomena bore.

Class History

September 20, 1976, N.A.M. School of Practical Nursing opened its doors for the 20th year to welcome 31 girls and 1 fellow.

October saw the beginning of fire drills and the initiation of the fire marshall with a trash can full of water. Class officers were elected and volunteers for the Yearbook were drafted. A big pumpkin, Diesel Dan, guarded our door for Halloween.

In November, we all worked hard on the projects for the Christmas Bazaar. Learning to knit, crochet, needlepoint, cook and making four quilts proved enjoyable and profitable on December 1st.

Our first exposure to 'those' exams to follow was in N.L.S. and fortunately we all left happily for the Thanksgiving Holidays.

December 6th was our 'blue letter day' as we finally appeared in full uniforms. Our presentation of "Charlie Brown's Christmas" was enjoyed by the R.N.s at their Christmas Party. Our Christmas Party, hosted by the instructors, and with gift exchanges was enjoyed by all.

The pre-clinical evaluations proved a nervous time for all of us, but somehow we all received new 'contracts'.

The New Year brought with it snow, ice and Jane's diamond. Thelma, an 8 foot 'snow nurse', was erected and edible treats of snow cream were a welcome change.

Dr. Callahan and Dr. Thompson performed an unprecedented hemorrhoidectomy in room 9. The 'victim' survived.

January 27th heralded our debut on the floors and no fatalities were reported.

February saw many well-intended pranks in attempts to cure the winter 'blahs'. February 11th brought welcomed relief as we braved our first full day of floor duty. Adrenalin flowed freely.

March kept us busy with Nutritional Dinners and a magic show by Mr. "D". The raffling of 2 quilts, Easter baskets (melted bunny) and a rummage sale proved successful and helped earn our way to the LPNAV Convention held in April. Our convoy slowly made way to Williamsburg for the convention. We truly were pioneers in spirit as we braved the business meetings (especially without lights or sound). "I can't HEAR." Eighteen weary students and two exhausted instructors welcomed the sight of the Nurses' Home again after 3 days of complete chaos.

"Gawn, who got the key to my room?" "Hello, Bob, this is Cindy."

Much to our delight, the ground-work was begun for the tennis courts and the Ladies of the Moose presented a sewing machine to the school.

May marked another milestone as we administered and received our initial injection. "Ouch!!! Now, we know how it feels."

During our schooling we have each made many strides and at years-end, N.A.M. School of Practical Nursing will award diplomas to us as nurses of the FUTURE.
